BIG CASH SALE CONTINUES

We have almost everything a farmer needs, and are selling many articles for less than the wholesale cost. We had two opportunities to sell the store as a whole last week, but had too much stock. Every purchase you make in any kind of machinery, wagons, buggies, harness, stoves, hardware, fence, staples, nails, plow points, rope, and most anything you will need will save you from 10% to 35%. Don't let this good opportunity slip. We think it will be only a short time until we sell the store as a whole.

CHANGE IN BUSINESS

Through a deal recently enacted M. H. H. Davis, senior member of the firm of Davis & Funk, proprietors of the Bourbon Steam Laundry, becomes sole owner of the plant and its good will, having purchased the interest of his partner, Thomas Funk, in the business, taking full possession on January 1, 1923.

Mr. Funk and family have planned to dispose of all their interests here, and will move to Norton, Virginia, where Mr. Funk will again engage in the laundry business.

Under the able supervision of Davis & Funk, the Bourbon Steam Laundry has grown from a small concern to one of the most important business enterprises of Paris, supplying the needs of a large territory outside of this city and county, as well. It has ever been to the forefront in business matters, and under the management of Mr. Davis, will continue to hold the place it has so well earned.

Mr. Funk will take to his new home the best wishes of the people of Paris. He is a fine business man, and will be sure to make good in Norton. We bespeak for him a cordial reception.
